

Town of Springdale News

October 2014

From the Mayor's Desk

October 2014 brings a significant change to the Town of Springdale. After roughly 20 years of service with to the Town, Fay Cope, our Town Clerk, has left employment with the Town for health reasons. Many things have changed since she was first hired as the Town Clerk in 1986.

Fay served the Town as the Town Clerk from 1986 to 1991, as the Town Manager from 1994 to 1999 and again as the Town Clerk from 2004 to 2014. Here are some of the accomplishments during the time she has served:

- Computerization of Springdale Town (with Brent Heaton), using an Atari computer system.
- Implementation of the resort sales tax (with Louise Excell, Marcus Thomson and Lillie Baiardi).
- Underground power at the South end of town (with Marcus Thomson).
- River Park, including the Dog Park trail (first version), public restrooms, first piece of public art, picnic tables and lots of new trees. Eric Bonner made the deal with our first conservation easement.
- River Park clean up (many years later). Louise Excell called for action after flooding. Fay organized donations of food and drink for the over 100 volunteers who showed up to repair the park.
- Gazebo Park. Dane Gifford built the rock seating area, volleyball enthusiasts built the volleyball court, Dave Hans and Fay designed sidewalks, parking lot and pavement, and the original playground. Deb Grebenar and YAZ did the children's mural, citizens planted the grass (about 90 volunteers at a "sod party"). The first amazing volunteer day in a park.
- Water treatment plant, including the screening trees.
- Pressurized irrigation, irrigation reservoir and the purchase of water rights (with Frank Urban, Lorin Powell, Brent Heaton, and assorted developers).
- New town hall in 1999.
- Sidewalks on Lion Boulevard and many other areas through the town.

Art Auction for Education

Saturday, October 11th
5:00 p.m. at Springdale Elementary School

The Rotary Club of Zion Canyon is pleased to sponsor the 2014 Art Auction for Education.

The auction provides funding for art, music and education programs for Zion Canyon students as well as scholarships for graduating high school seniors from the canyon area. Art and recreation items are donated by local artists, galleries and businesses.

The auction will be held on Saturday, October 11th at 5:00 p.m. on the Springdale Elementary front lawn. Everyone is welcome to attend and support art and music education programs in Zion Canyon.

Please see <http://www.springdaletown.com/rotary-club/art-auction-for-education/> for more details and a preview of items donated for the auction.

The poster for the Art Auction for Education has a blue background. At the top, the words "CREATIVITY", "ART", "MUSIC", "LEARNING", "INSPIRATION", and "DESIGN" are scattered in a light blue font. The main title "ART AUCTION for EDUCATION" is prominently displayed in a large, dark blue serif font. Below the title, there are three small images: a group of children standing together, a person playing a drum, and a person painting. At the bottom of the poster, the event details are listed: "Saturday, October 11th, 2014 5:00pm", "Springdale Elementary Front Lawn", and "Sponsored by The Rotary Club of Zion Canyon". A small note at the very bottom states: "Art and recreation items donated by local artists, galleries and businesses. Proceeds will go to local art, music and education programs. Preview items online at www.springdaletown.com".

From the Mayor's Desk, Cont.

- Shuttle Stops (with Patrick Shea, Don Falvey, Dave Hans, Dale Harris, and UDOT representatives).
- The greening of the cemetery (originally with Jim Fraley, Dave Hans and Dale Harris).
- The cemetery sign, built by Pat Serna from old pillars.
- Leon Lewis Library (before the new one at the CCC).
- Zion Medical Clinic (building now belongs to the McMahan's). Fay convinced DRMC to donate the building to the Lions Club, who then deeded it to Mike and Helen.

However, some of Fay's favorite legacies are not infrastructure:

- Zion Joy to the World Festival. The first year with Joe Pitti, Mark Chambers, Dean Cook, Filomena Diaz and Liz Trotman was so much work, but the light parade made it all worthwhile.
- The Springdale Town "mountain-scape" logo designed by contest winner Eric Wallentine.
- Voting by mail.
- Building Springdale's first email notice list and having it be a big hit.
- Citizen of the Season recognition program.
- Springdale Public Officials Handbook.
- Our Annual Public Officials' Training. Originally with Elaine Harris from Rockville and Ray Golata from Virgin.
- Paper-free meeting packets.

We wish to thank Fay for her service and acknowledge her accomplishments. During the Council meeting on October 8th, we will be presenting her with a "thank you." We invite all to attend and wish Fay well. The meeting will begin at 5:00 p.m. As Mayor, I want to personally thank Fay for all she has done and let her know that we will miss her at the office.

2014 Butch Cassidy 10K/5K Race

The annual Butch Cassidy 10K and 5K will take place on Saturday, November 8th. This classic community event gives residents and visitors a chance to enjoy beautiful fall color and mild weather while running from Springdale to Grafton.

Registration for the race is now open. You can register online at: (<https://www.runnercard.com/roadrace/public/raceGroup/975187>) (there is a very handy link to the registration page on the Town's Butch Cassidy Race page shown below), or at the Town Office.

Hurry to register, because registration is limited and once we fill up we will not be able to take additional registrations. Early registration is \$25 and ends on October 17th. After that, the registration fee increases to \$35. There is a \$5 discount for Zion Canyon residents.

This year will build on the 30 years of past Butch Cassidy Race tradition, and will also add a few new changes. In addition to the race itself there will be a Butch Cassidy look-a-like contest, a Butch Cassidy poker run, a Grafton Scavenger Hunt, and more fun activities. As always, there will be great food and live music in Grafton after the race.

New this year is an opportunity to "Catch Butch & Sundance" during the race. The first five runners in each race who catch and then beat Butch or Sundance to the finish line will win a prize package from the Zion Canyon Brew Pub.

If you want to participate in this event but don't want to run, consider volunteering. All race volunteers will receive a t-shirt and cool stuff from our sponsors. Contact Allan Staker at 772-3563 or Julie Hancock at 772-3434 if you are interested in volunteering.
