

Town of Springdale News

January 2015

From the Mayor's Desk

January brings a new year and a time for reflection. A lot has happened in 2014 and for the most part it was a good year for Springdale. We were able to get some new projects started.

As we look forward to 2015 some of these projects will be completed. The first phase of fiber optics will happen the first part of this new year. The street lighting project will take shape with the completion happening in the first part of 2016. The public transportation from St. George to Zion will see progress this year, though it will be several years of work to complete the project. This is also the year when the planning commission finishes the general plan update.

It takes everyone doing their part to make these projects (as well as other projects) successful. It is my wish that this year brings more success to Springdale and that we can work together to make it all happen.

Mayor Stan Smith

Shop with a Cop 2014

On Saturday, December 13, Officer Jared Barker of the Springdale Police Department volunteered his time to assist with the annual Shop With A Cop program. The Department participates in this program every year and has done so for many years.

This annual holiday tradition was a success, involving four underprivileged children from Zion Canyon. Officer Barker and Zion National Park Service law enforcement personnel picked the children up at their residences. The children were transported to the Washington County Fairgrounds, where they were served a hot breakfast. From there the officers and children went to Walmart, where each child was given \$150.00 to spend on gifts of their choice. The children spent most of the money on family member's gifts, rather than on gifts for themselves, embracing the true meaning of the season. The children were then returned home after the shopping was completed.

CITIZEN OF THE SEASON... a call for nominations!

A sense of community is defined as “a feeling that members have of belonging, a feeling that members matter to one another and to the group, and a shared faith that members’ needs will be met through their commitment to be together” (J.R. Gusfield 1975). It would be hard for anyone to argue that the residents of Springdale don’t embody the essence of these words. Although surrounded by incredible natural beauty, it is people that make our Town a better place to live. We are definitely an altruistic group who give freely of time and talents.

Publically acknowledging those who serve others is a special way to say ‘thank you’. It gives us an opportunity to honor our neighbors and show sincere appreciation for their efforts.

This is the premise behind Springdale’s *Citizen of the Season* award. Introduced in 2007, the program was designed to recognize individuals, or groups, for outstanding service to our community. Although on hiatus for the last year, the Town would like to bring the award back. Beginning with the Winter 2015 season (which includes the months of December, January and February), the Town Council will select a recipient from the nominations submitted. Please consider who should be recognized and submit their name(s) along with a brief reason why you support their nomination. Information can be sent to Springdale@infowest.com, or brought to the Town Hall, attention Town Clerk. Recipients will be honored at a Town Council meeting and have their name added to a perpetual plaque displayed in Town Hall. For reference, a list of previous winners can be found on the Springdale website at <http://www.springdaletown.com/about-springdale/citizen-of-the-season/>.

Winterize Your Irrigation

We've had a few call outs for frozen and broken irrigation systems, which turn into fountains of water when the frozen water melts. Please save yourselves time, money, and frustration by ensuring your watering systems are winterized and ready for cold temperatures.

As a reminder, all properties need to have their own shut-off valve (after the Town-owned shut-off valve) so maintenance can be done. If we have to shut off irrigation water for maintenance, you'll be required to have a private valve installed before the water is turned back on.

Old Butch Cassidy 10k Shirts

Is your favorite Butch Cassidy 10k shirt falling apart? Has it been washed so many times that the art is illegible? The Town Hall has a small supply of shirts from past Butch Cassidy 10k/5k races. We are going to be donating these old shirts for a humanitarian project in the near future, but wanted to make them available to our local residents first.

There are a few styles and sizes available. If you are interested in having one (or two), please come by the Town Hall by Jan. 16th. We'll be donating them after that date.

Local Phone Directory Update

The local online Phone Directory for Zion Canyon is being updated. This Directory can be viewed and printed from the www.springdaletown.com/phone-book/ and www.rockvilleutah.org/phone-directory/ websites.

You can include your cell phone and P.O.Box number. If you would like your information to be corrected, added or deleted please send the information as you would like it listed to: ZionCanyonPhoneBook@gmail.com.

The due date for this is January 15, 2015.

January 2015 Menu and Activities

| TUESDAY | | THURSDAY | |
|------------------------------------------------------------------------------|--------------------------------------|------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
