Dear Mr. Dansie:

I am following up on a conversation we had recently about our 2015 Zion Half Marathon race and working with Springdale City Council to have access to the Washington County School District buses for transporting runners on race morning. I would like to see if Springdale would once again be willing to support our efforts to use the school buses for our 2015 race.

Getting these buses will allow our race to continue to grow and come back year after year to Springdale. Vacation Races is willing to accept insurance liability and would be happy to reimburse the city for any costs they accrue as a result of using the buses for our race series. If you are willing to once again support our efforts, I will reach out to the school district and work out the details.

Thank you so much for your consideration! Feel free to reach out to me with any questions you might have.

I look forward to hearing back from you soon!

All the best,

Megan Wheeler
