February 11, 2015

Mayor Stan Smith  
Town of Springdale  
Springdale, Utah 84767

Dear Mayor Smith,

This letter is to inform you that Jack Burns will replace Kezia Nielsen as the park representative on the Town of Springdale's planning commission pending your approval and appointment. Kezia has filled this role over the past nine years and we are grateful for her time and dedication in representing park interests. As a long-term park employee, member of the park management team and town resident, I believe Jack will do an equally good job and I believe you will find his contributions helpful with Town planning efforts.

Thank you, Stan, for allowing Zion National Park to be a part of the Town's planning commission. I appreciate the consideration given to the Park and take seriously our part in the planning process that helps guide both the park and the town into the future.

Jack will begin serving in this capacity as of April 1, 2015 with your permission. Please let me know if you have any questions or concerns in receipt of this letter.

Sincerely,

Jeff Bradybaugh  
Superintendent
