Re: **Citizen of the Season Winter 2015 award recipient – Rob Snyder**

Betina Lindsey nominated Rob Snyder for the Citizen of the Season award.

In his capacity as library director, Rob served the Town of Springdale for many years. He was amazing! As some struggled with computer how-to's, he was always right there to help sort out difficulties. He was aware and ready to help. He organized the book clubs, searched out books patrons would be interested in reading as well as doing a great job supervising the librarian staff.

He will always go the second mile for people. He is not only a personable individual but someone who cares about doing an excellent job.

In addition to his work in the library he is a great supporter of the community.

The Town Council and the Town of Springdale are proud to recognize Rob Snyder as the Winter 2015 Citizen of the Season.
