

- ATTENTION: UTILITY CUSTOMERS -

The Town is now offering emailed monthly utility statements. Emailed statements will be identical to the mailed utility statements, only delivered to your email as a pdf document. You may have to install Adobe Reader (or other appropriate program) to view pdf documents.

If you elect to participate and receive your statements by email, you understand that you will be required to keep the Town informed of changes to you email address and lost or misdirected messages are your responsibility. Penalties will not be waived for late payments resulting from lost or misdirected emailed statements.

You may request to be removed from the emailed billing statements service at any time by contacting the Town Treasurer in writing.

Please contact Dawn Sanders-Wallace, Town Treasurer, at 435-772-3434 or dawnsanders@infowest.com with questions.
